Basic Information

To:	This consultation was aimed primarily at service users, internal sections of Corby Borough Council, Housing Providers, representative groups, community and voluntary organisations.
Responsible for consultation:	The consultation was lead by the Housing Options Manager of Corby Borough Council.

Background

Following the introduction of new regulations by the Secretary of State (see link below); a full review was undertaken of the Corby Borough Council Keyways Housing Allocation Policy.

The review was conducted to ensure that the local authority continues to:

- give preference to households who are in the most housing need (including the reasonable preference categories),
- allocates social housing efficiently,
- considers any impact from the Welfare Reform Act 2012 and subsequent benefit changes,
- and complies with the Regulations made by the Secretary of State for social tenants who need to move to take up or live closer to work (Right to Move).
