1 INTRODUCTION

All local housing authorities are required by law to have a scheme for determining priorities and procedures when allocating social housing.

This document sets out the housing allocation scheme for the newly formed North Northamptonshire Council. The scheme sets out who is eligible and qualifies for social housing, and how the Council decides who should have priority for those properties that are available.

The new scheme supersedes the previous schemes covering Corby, East Northamptonshire, Kettering and Wellingborough.

North Northamptonshire, like many areas nationally, is facing increasing demand for social housing that far outstrips supply. In that context, the housing allocation scheme offers households with a housing need (as defined by the scheme) some choice in bidding for a home while giving reasonable preference to those in the greatest housing need and with a local connection to North Northamptonshire.

This housing allocation scheme applies to:

- New applicants
- Existing social rented housing tenants who have a need to transfer from one tenancy to another with their current landlord
- Existing social rented housing tenants who need to transfer from one tenancy to another with a different social landlord.

The accommodation allocated through this scheme includes housing for social and affordable rent which is owned and managed both by North Northamptonshire Council and by housing associations operating in the area.

North Northamptonshire Keyways, the Council's choice-based lettings scheme, provides a single access point to good quality, affordable housing for people in housing need and aims to make the task of applying for social housing as simple as possible. On a day-to-day basis, landlords advertise their vacant properties on the Keyways website and applicants, who would like to live in those properties, register their bids on the Keyways website at [new scheme web address to be confirmed](#). Properties are then allocated in accordance with the procedures and priorities set out in the housing allocations scheme.

As well as operating a housing allocation scheme, North Northamptonshire Council also provides a housing options service which works to prevent homelessness and provides housing applicants with advice on a range of alternative housing options including:

- Mutual exchange
- Low cost home ownership
- Renting in the private rented sector
- Options to remain in the current home

2 AIMS AND OBJECTIVES

In addition to meeting the Council's statutory duties, the aim of this housing allocation scheme is to provide good quality, affordable housing to those in the most need whilst promoting sustainable tenancies and communities.

The objectives are:

- To provide clear, and transparent information to people who need to find a home about the social housing that is available so that they can make realistic, informed and affordable housing choices
- To support all Keyways landlords in making the best use of their housing stock in North Northamptonshire, ensuring that larger homes, specialist housing, and homes adapted for disabilities, are made available to those who need them most
- To support Keyways landlords in managing their homes effectively, by ensuring properties can be let quickly and that tenants are given the best chances of maintaining their tenancies in the long term
- To help prevent homelessness and enable the discharge of the Council's statutory homelessness duties, minimising the use of temporary accommodation
- To ensure and promote equality of opportunity in accessing safe, secure and affordable housing via the Keyways scheme, both to local people in housing need and to other categories of people that do not satisfy a local connection to North Northamptonshire including those that have served in the armed forces, care leavers, those fleeing domestic abuse and people who are looking to continue or take up employment

This housing allocation scheme will be monitored and reviewed when necessary (at least annually) to ensure that it continues to meet local needs, responds to changes in the local housing market, meets to council's strategic objectives and remains legally compliant. As part of the development of this new North Northamptonshire scheme (completed in 2020), the Council has consulted with existing social housing tenants in the North Northamptonshire area, applicants on the Keyways Housing Register, Keyways landlords, and other interested client groups and partner agencies.

3 THE LEGAL FRAMEWORK

The Council's housing allocations scheme sits within a tight legal framework which is summarised in this section. The legislative framework applies to North Northamptonshire Council directly and requires Registered Providers to 'cooperate to such an extent as is reasonable in the circumstances in offering accommodation to people with priority under the authority's scheme'.

The primary legislation governing the allocation of social housing is Part 6 Housing Act 1996 (as amended). Any reference to legislative sections contained within this scheme are sections contained within the 1996 Housing Act. This legislation requires councils to make all allocations and nominations in accordance with a published housing allocation scheme which determines priorities between applicants for housing and sets out the procedure to be followed when allocating housing.

Part 6 of the Housing Act 1996 requires local authorities to frame their housing allocation schemes to give "reasonable preference" to certain categories of people namely:

- a) People who are homeless as defined in Part 7 of the Housing Act 1996

- b) People who are owed a particular statutory duty by any local housing authority under certain provisions of homelessness legislation
- c) People occupying insanitary, overcrowded or otherwise unsatisfactory housing
- d) People who need to move on medical or welfare grounds, including grounds relating to a disability
- e) People who need to move to a particular locality within the district to avoid hardship to themselves or others

In addition to the primary legislation, North Northamptonshire Council's housing allocation scheme takes full account of the associated statutory codes of guidance and statutory instruments. In developing the scheme, the Council has also had regard to its Homelessness and Rough Sleeping Strategy and Tenancy Strategy.

The housing allocation scheme has been developed to be compatible with other relevant legislation, regulations and guidance including, but not restricted to:

- The Equality Act 2010
- The Human Rights Act 1998
- The Data Protection Act 2018
- The Freedom of Information Act 2000
- Children (Leaving Care) Act 2000
- The Localism Act 2011
- Armed Forces Covenant
- Welfare Reform Act 2012
- Public Sector Accessibility Regulations 2018
- Homelessness Reduction Act 2017

A summary of this housing allocation scheme is available free of charge to any person who asks for a copy. It can be downloaded free of charge from the North Northamptonshire Council and North Northamptonshire Keyways websites. If requested a hard copy can be provided on payment of a reasonable fee (to be confirmed at time of request).

3.1 Scope of the Scheme

The following are defined as allocations within this scheme:

- The selection of a person to be a secure or introductory tenant of council accommodation or
- The nomination of a person to be a starter or assured tenant of Registered Provider accommodation

The housing allocation scheme does not apply to the following lettings:

- Succession of tenancy
- Assignment of a tenancy through mutual exchange
- Assignment of a tenancy to a person who would be qualified to succeed to the tenancy
- Assignment of a tenancy in pursuance of a relevant court order
- Progression from an introductory to secure tenancy
- Sole to joint tenancy changes and vice versa
- Temporary decants in order to complete repairs

- Lettings made by Registered Providers outside of the North Northamptonshire Keyways nomination agreement
- Properties leased to a partner agency (e.g. support provider)

4 ELIGIBILITY AND QUALIFICATION

Any person can approach the Council for advice and assistance regarding housing however, due to the high demand for social and affordable rented housing in North Northamptonshire, the Council does not maintain an 'open' housing register.

In considering an application, the Council will firstly assess if an applicant is eligible for accommodation, and secondly, whether an application qualifies for an allocation of accommodation. Any applicant assessed as either not eligible or who does not qualify will not be considered for an allocation and will therefore not have access to the North Northamptonshire Keyways register.

4.1 Applicants who are not eligible

The legislation and accompanying regulations regarding eligibility for housing are complex and subject to regular change. This section provides an overview of the main rules.

The main law on eligibility in England is contained in the Housing Act 1996, as amended by the Localism Act 2011, which allows the government to introduce regulations about eligibility for allocations. North Northamptonshire Council will determine whether applicants are eligible for housing assistance ensuring compliance with UK immigration and nationality regulations.

Some classes of people are not eligible to join the housing register, specifically those who are:

- Subject to immigration control (unless in a class re-included by regulations made by the Secretary of State – see reference to Regulation 3 in section 4.2 below)
- Not habitually resident in the UK, Channel Islands, the Isle of Man or the Republic of Ireland
- Other persons from abroad excluded by regulations made by the Secretary of State including
 - EEA nationals whose only right to reside is derived from their status as an EEA jobseeker or as the family member of an EEA jobseeker
 - EEA nationals whose only right to reside is the initial three-month period under Regulation 13 of the EEA Regulations
 - Non-EEA nationals whose only right to reside is as the parent of a UK citizen child who has no other rights to reside in the UK (known as a 'Zambrano carer')
- Persons granted limited leave ('pre settled status') under the EU settlement scheme where their only other right to reside is a non-qualifying right (i.e. as a jobseeker, is within his/her first three months or as a Zambrano carer)
- Required to leave the UK by the Secretary of State.

4.2 Applicants who are eligible

The following groups are eligible for an allocation of housing:

- British Citizens
- Certain Commonwealth citizens with a right of abode in the UK
- Irish citizens, who are not subject to immigration control in the UK

- EEA nationals with an EEA 'right to reside' that qualifies for housing (including but not limited to those that are working or self-employed)
- Classes of persons subject to immigration control who are eligible for an allocation of accommodation as set out in Regulation 3 of the Allocation of Housing and Homelessness (Eligibility) (England) Regulations 2006, as amended. These groups include but are not limited to:
 - people granted refugee status
 - people granted exceptional leave to enter or remain without a 'no public funds' condition
 - people granted humanitarian protection
 - EEA nationals who have been granted settled status under the EU Settlement Scheme and who are 'habitually resident' in the British Isles or Ireland

APPLICANTS WHO DO NOT QUALIFY

The Localism Act 2011 enabled local housing authorities to decide which classes of persons are, or are not, qualifying persons for the purposes of allocating housing. This section sets out the classes of persons which are not considered to be qualifying persons and will therefore not be accepted to join the North Northamptonshire Keyways register for an allocation of housing.

4.3 Homeowners

All applicants must declare whether they own a home or have a legal interest in any land or property in the UK or abroad, so that it can be assessed whether this home is suitable for their needs and considered reasonable to occupy.

The definition of a home is a freehold or leasehold property, a static caravan situated on a site open all year round or a boat which has a mooring.

Homeowners (including joint homeowners) will be exempt from the scheme unless they have an urgent housing need to move (Bands A and B) and have insufficient equity, capital or assets to resolve their housing difficulties. This will include the possibility of adapting their current home. Applicants who have a beneficial interest or home rights in a property will be classed as a homeowner and will be exempt from the scheme.

Elderly homeowners who are accepted as eligible for sheltered housing will qualify to join the North Northamptonshire Keyways register but are exempt from bidding for bungalows and are eligible for sheltered complex properties only.

Homeowners who sell or transfer their property in the UK or abroad within the last 5 years and received (or would have received) equity of £16,000 or above will be excluded for 5 years from the date of sale, unless they are eligible for sheltered housing.

In addition, household income level and savings (including any deliberate depreciation of savings) may be considered where an applicant has an urgent housing need and could resolve their own circumstances with their income/savings. This includes cases where a homeowner's property is subject to a Compulsory Purchase Order.

Please note that passport benefits and non-contributory disability benefits are not included for the purposes of income in this definition. Any lump sum received by a member of the Armed Forces as a compensation for an injury or disability sustained on active service will be disregarded as savings.

4.4 Persons with no local connection

Applicants who do not establish a local connection to North Northamptonshire will not qualify to join the North Northamptonshire Keyways register. A local connection to North Northamptonshire will be established by virtue of any permanent member of the household meeting any of the criteria set out in the table below:

Verification of an applicant satisfying this criterion will be required at point of application and at point of nomination. Applicants accepted as qualifying due to this criterion will only qualify to bid on properties within the village development to which they satisfy a local connection.</p>

4.5 Persons who have behaved in an unacceptable way

Applicants who have previously behaved in a way which led to them losing a tenancy, or which could have led to such action being taken by a landlord, will only qualify for an allocation via North Northamptonshire Keyways if they can demonstrate that such behaviour is unlikely to occur again. Applicants may not qualify to join the register due to the behaviour of any member of the applicant’s household, including partner and children.

Behaviour which may lead to someone failing to qualify to join North Northamptonshire Keyways includes (but is not limited to):

Applicants are invited to provide evidence of a change of behaviour. This could include, for example, evidence of regular payments towards a previous housing debt; evidence from a support agency of undertaking training to develop the skills necessary to manage a tenancy or being ready to move on from supported housing.

Applications will not normally be accepted from persons who are aged under 18. However, the following may be considered:

4.7 Persons with no assessed housing need

Persons/households assessed as having no housing need as defined in the Priority Bands will not qualify to join the North Northamptonshire Keyways register.

Applicants to whom another local authority has accepted a rehousing duty under Section 193 of the Housing Act 1996 or any other duty to suitably accommodate are regarded as having no housing need and will therefore not qualify for North Northamptonshire Keyways.

4.8 Refusals of offers of social housing

Applicants who have refused two offers of suitable accommodation in any 12-month period will fail to qualify for the North Northamptonshire Keyways register. See section 8.4 for more information. Households owed a homeless duty will fail to qualify after refusing one offer of suitable accommodation. Those who do not qualify by virtue of this category will not have a reapplication considered for 12 months from the date of non-qualifying decision.

Applicants can request a review of this decision if there has been a significant change in their circumstances through no fault of their own which adversely affects the household or would otherwise result in the North Northamptonshire Keyways band increasing.

4.9 Exceptional Circumstances

In exceptional circumstances, an applicant who would not ordinarily qualify for the Housing Register but who has an urgent housing need (defined by being awarded Bands A or B under this housing allocation scheme) may be allowed to join. The decision to allow a non-qualifying applicant to join the register, will be determined by a panel of senior housing officers. Other professionals, for example, those with social care expertise, may be invited to contribute to the panel and decision making where relevant.

The council retains a discretion to deal with individual cases where there are exceptional circumstances, for example where such circumstances arise in relation to the wider Armed Forces community.

4.10 Community Safety

North Northamptonshire Council works in partnership with the Police, Probation Service, Community Safety Partnerships and housing providers to manage risk to the community. If there are any details pertaining to an applicant or application which leads the Council to

believe there may be implications for community safety, the Council may refuse an applicant housing in certain areas. The Council may also apply local lettings policies to specific areas or developments for reasons of community safety. Section 7.10 provides more detail on local lettings policies.

5 REGISTRATION

5.1 How to apply

Applicants can apply for an allocation by completing a housing application form online at [new scheme web address to be confirmed](#). Should applicants require assistance in completing the form or require the form to be made available in other formats this can be requested by telephone or by prior arrangement at the Council offices. Following receipt of an application, applicants may be required to provide supporting documentation.

Once a fully completed application form has been received along with any required supporting documentation, the form will be assessed to determine if applicants are eligible and qualify for an allocation (see section 4), followed by an assessment of their housing need (see section 6), and a determination of property eligibility (see section 7).

5.2 How North Northamptonshire Keyways works

North Northamptonshire Keyways advertises available social and affordable housing throughout North Northamptonshire. All available properties are advertised online at [new scheme web address to be confirmed](#) from 00:01hrs (one minute past midnight) on a Thursday through to 23:59hrs on a Tuesday.

During the weekly advertising cycle, applicants can express their interest in up to three properties that are the right size and type for their household requirements. Expressing an interest in a property means that the applicant will be included on the shortlist for that property.

Applicants should only bid on properties after reading all the attribute and locality details in the advert. Bids on suitable properties which are later refused may incur a penalty (see section 8.4) If applicants do not express an interest in a property, they will not be considered for the allocation of that property.

Some North Northamptonshire Keyways applications may be set to Autobid. This means that the Keyways system will automatically place their bids at 00:01hrs on a Wednesday (one minute past midnight) when all other bids have been placed. Applicants who are owed a statutory homeless duty will be subject to an Autobid process whereby up to five bids per cycle will be made automatically on their behalf.

When a property is shortlisted, it is usually offered to the applicant with the highest band and who has been waiting in that band for the longest time (determined by an effective date). Applicants can view their bid queue position and bid outcome on their online account. Only successful applicants are contacted directly

North Northamptonshire Keyways will publish information on accepted offers of accommodation from previous bidding cycles at [new scheme web address to be confirmed](#). The following information will be published on advertised properties:

- Property address
- Property type

- Closing date for bids
- The band of the successful bidder
- The date they were placed in that band
- The number of bids received

Please note, under no circumstances will any personal details of the successful bidder be published.

‘Any time’ adverts

North Northamptonshire Keyways also has the functionality to create ‘any time adverts’ which will sit outside of the weekly advert cycle and bidding process described in this scheme. ‘Any time adverts’ can be added on any date and for any length of time. North Northamptonshire Council will utilise this facility for properties that are regarded as difficult to let in order to avoid multiple and repeated duplicate adverts week on week. In North Northamptonshire this applies mainly to some sheltered properties. Bidding opportunities in respect of ‘any time adverts’ will be in addition to the core bidding opportunities described in this scheme. An applicant that has three bids per bidding cycle will therefore have three bids plus any additional bids that are eligible to be placed on ‘any time adverts’. In addition to difficult to let properties, the Council may utilise the ‘any time advert’ facility in other circumstances including but not limited to adverts and lettings that need to be fast-tracked. Decisions to utilise the ‘any time advert’ facility for any reason other than for a difficult to let property will be made by a senior housing officer.

5.3 Types of tenancies

There are a variety of different types of tenancies that are advertised on North Northamptonshire Keyways. These include introductory/starter tenancies, secure tenancies, affordable rent tenancies and fixed term tenancies. Applicants are responsible for deciding which properties and which types of tenancy they wish to express an interest in. However, in addition to the tenancy type advertised, the type of tenancy offered to applicants will often depend on a number of factors including:

- Their current tenure and landlord
- Their current circumstances
- The landlord of the property
- The type of property
- The location of the property

5.4 Verification

In order to assess and verify housing applications, the Council may make additional enquiries with current and former landlords and other relevant agencies. Council officers may also need to arrange a home visit or office interview. Where this is necessary, a council officer will contact the applicant to arrange a convenient appointment. If, after a 28-day period, applicants have not provided information that has been requested, the Council will cancel the application.

Verification includes checks on an applicant’s full circumstances including their eligibility, qualifying criteria, housing need, property eligibility and community contribution. Circumstances will be verified at the point of application and at the point of nomination prior to a formal offer. It is the applicant’s responsibility to notify North Northamptonshire Council of any significant changes to their circumstances which may affect their application. An

applicant's circumstances can change at any point and accordingly can be reassessed by the Council at any time.

Prior to any formal offer of accommodation, North Northamptonshire Keyways landlords will also conduct a tenancy assessment and other checks to verify an applicant's circumstances. This will include an affordability assessment. Applicants that fail the verification checks and/or affordability assessments will not be offered the accommodation for which they have been nominated. The application may then be reassessed depending on the reasons for refusal.

5.5 Disability, mobility and medical needs

If an applicant or joint applicant, or other member of the household identified on the North Northamptonshire Keyways application have any of the following then it is the applicant's responsibility to provide any medical evidence that they would like to be considered in assessing their application:

- A permanent physical disability
- A mobility problem
- A medical condition, or
- A mental health condition

The Council may need to contact the applicant for further information regarding the condition to help the Council to assess and establish in which band to place the application and what type of property is suitable. In some circumstances the Council may need to seek independent medical advice to help inform this decision and specifically to explore:

- Whether the applicant's current home is having a detrimental impact on the health or mobility of anyone in the household, and the extent of the detrimental impact
- What type of accommodation would suit the needs of the households or if a move is necessary
- What adaptations the household may require

If, after the Council's enquiries it is established that the applicant requires specific adaptations to a property, the application will be amended to reflect this. Households that require specific adaptations will only be nominated to accommodation that is suitable for their needs.

It is recognised that applicant's circumstances are individual and that the medical banding criteria cannot specify every circumstance that might apply. Exceptional banding decisions pertaining to medical issues that sit outside of the normal banding criteria will be made by the manager that oversees the North Northamptonshire Keyways team or an officer of equivalent level.

5.6 Application processing standards

When a North Northamptonshire Keyways application is received, the Council will:

- Contact the applicant within 10 working days of receiving the application to confirm if any additional supporting information is required
- Contact the applicant to confirm that the application is active within 10 working days of receiving a fully completed application and signed declaration form including any relevant supporting information that is required
- Let the applicant know if it cannot register the application within 10 working days of receiving the fully completed application and signed declaration form. Any delay may

be due to the Council requiring additional information from the applicant or another agency.

5.7 Contacting applicants

Once all necessary enquiries have been made and the North Northamptonshire Keyways application has been processed, the Council will email / write to the applicant to inform them:

- If the applicant does not qualify to join the North Northamptonshire Keyways register, the reasons for this and their right to a review of the decision or;
- That we have accepted the application and the applicant can start to place bids for properties advertised on North Northamptonshire Keyways
- The applicant's unique housing reference and log in details
- The North Northamptonshire Keyways band in which we have placed the application
- The date on which the application was placed into the band – the effective date

5.8 Change of circumstances

Applicants must inform the Council if the circumstances of any person included in the North Northamptonshire Keyways application changes as this may affect their eligibility or qualification status, priority band or property eligibility.

Changes in circumstances include but are not limited to:

- A change in eligibility status
- A change in assets or savings including home ownership / beneficiary of a property
- The accrual of new housing related debt
- New criminal convictions
- A change of address
- A change of contact details
- People leaving the household or new household members
- A change in a household member's health or wellbeing

If the Council later discovers a change in circumstances that has not been disclosed to the Council, this may result in a housing application being cancelled, an offer of accommodation being withdrawn, or possession action being taken to recover a property allocated under this scheme.

North Northamptonshire Council will endeavour to process changes of circumstance within 10 working days.

5.9 Reviews of the North Northamptonshire Keyways housing register

Annually, all applicants are required to complete an online review. The review is to ensure:

- The number of applicants on the North Northamptonshire Keyways register reflects the immediate needs for social housing
- Applicants still want to stay on the North Northamptonshire Keyways register and
- Applicants' details are accurate and up to date.

If an applicant fails to respond to a review within 28 days, the application will be cancelled.

If an applicant fails to place bids on suitable properties over a period of six months their application may be cancelled or their banding reviewed.

5.10 Cancelling a housing application

North Northamptonshire Keyways applications may be cancelled if, for example, the applicant:

- Becomes ineligible for an allocation
- Requests their application is cancelled
- Fails to respond to a review
- Has been re-housed by a North Northamptonshire keyways landlord
- Moved and did not inform the council of their new address
- Fails to respond to a request for information within 28 days
- Provides false or misleading information
- Refuses offers of suitable accommodation
- Fails to qualify for the North Northamptonshire keyways register
- Fails to place bids on suitable properties

WHO CAN BE INCLUDED ON AN APPLICATION?

The applicant should include on their housing application other persons who normally reside with them or who would reasonably be expected to reside with them as a member of their household. All household members who will be living in the new tenancy must be included on the application in order that qualification checks can be conducted. Applicants and household members can only be on one North Northamptonshire Keyways application.

The following can be included on an application if they normally live with the applicant(s) or could reasonably be expected to do so:

- Partner or spouse,
- Children dependent on the applicant / joint applicant
- Adult sons and daughters
- Other adults who are dependent on the applicant / joint applicant

Other people will only be considered if there are demonstrable extenuating circumstances that require them to live with applicants; for example, to provide or receive ongoing and substantial care which can be evidenced.

In all circumstances, the Council may decide whether a person is normally resident as a member of the applicant's family and whether they will be considered for rehousing as a member of the applicant's household. The Council will consider each applicant's individual circumstances when deciding whether to allow persons to be included on the application.

5.11 Dependent children

A dependent child is defined as being aged 0-15 years, or 16-18 years and attending or enrolled in full-time approved non-advanced education or training. The Council will usually expect that an applicant receives Child Benefit in respect of dependent children.

In determining whether a dependent child can be considered as part of the household where there is shared parental responsibility, the Council will consider whether there is a sufficient degree of permanence or regularity to constitute normal residence as a member of the family.

The Council may also take into account the demand for and supply of accommodation, as well as any under occupation which may result where a child spends part of a week with one parent and part of a week with another.

Factors that the Council will consider include:

- Who has the main parental responsibility of the child / children?
- What is the child's main and principal home?
- What address is registered with GP/School/Nursery?
- Who predominantly cares for the child?
- What is the frequency and length of residence at the applicant's property?
- Does the child have other accommodation available to them which it is reasonable for them to occupy?
- Is there an order of the court pertaining to the child's residency?

If a child has no suitable accommodation with either parent, then both parents can include the child on their North Northamptonshire Keyways application until such time as suitable housing for the child has been secured. At this time, the other parents' North Northamptonshire Keyways application will be reassessed accordingly. For clarity, only one social / affordable rented property with a garden will be offered for the children.

Singles parents/couples with a housing need, with access to children who do not permanently reside with them can be considered for properties with up to two bedrooms (excluding family accommodation with its own garden), however they will only be offered a two bedroom property if there is no demand from households who require that size of property. Household income may be assessed by the landlord of the property against their affordability criteria to ensure that the property is affordable before an offer of tenancy is made.

5.12 Adult sons and daughters, and other non-dependents

Non-dependent children are defined as any children of the applicant or joint applicant who do not meet the definition of a dependent child. A non-dependent child is usually aged 18 years or over or aged 16/17 and who is not attending or enrolled in any full-time approved non-advanced education or training.

Where the household includes people aged 18 years or over that are capable of living independently, the Council will assess the needs of the whole household and may refuse to allow them to be included on an application, for example if it is unable to meet the need through existing social housing in the North Northamptonshire. The Council may require such non-dependent members of the household (including adult sons and daughters, or extended family members) to apply for housing separately.

North Northamptonshire Council will allow children living with their parents who are serving in the armed forces or resident at university to be included on an application. In these circumstances their parental home will be considered as their principal home.

Where it is determined that an adult son or daughter, or other non-dependent is not capable of living independently, for example as a result of a disability or severe learning difficulties, family accommodation may be awarded if it benefits the wellbeing of the household.

5.13 Family members not resident in the UK

If applicants are applying to include family members who are not living in the UK, the application may be registered but applicants cannot be allocated together until the family has been reunited in the UK.

5.14 Children in care

Children in compulsory or voluntary care can be included on an application subject to written confirmation from social services that the children are to live on a permanent basis with the applicant(s).

Households currently undertaking fostering may be able to include foster children as part of their application. Written confirmation from social services of the fostering arrangement will be required and considered to inform the decision.

5.15 Provision / receipt of care

Applicants or applicant household members, who require a full-time residential carer which is evidenced by social services or a primary health care professional, may include the carer on their application.

People who provide substantial long-term care to another person which requires that person to live with an applicant in order to receive the care, may include that person on their application. Care needs which cannot be provided by visiting carers must be verified by social services. The care needs must be substantial, i.e. a need for personal care with basic daily activities (dressing, feeding, bathing, toileting), or an inability to live independently certified by a medical professional.

5.16 Split and non-traditional households

The Council will consider applications from households where the main and joint applicants do not currently reside at the same address, or applications from non-traditional households, e.g. friends sharing. In reaching a decision whether to accept applications from non-traditional households, the Council will consider, amongst other factors, the relationship between applicants and the demand for and availability of the property type and size required.

If accepted, both applicants will need to meet the eligibility and qualifying criteria and the priority awarded to the application will be based on the housing circumstances of the applicant in the highest priority band.

6 ASSESSMENT OF NEED

Only applicants who have been assessed as eligible and who qualify will have their housing need assessed.

6.1 Reasonable preference

The Council is required by law to determine the relative priority that housing applicants are awarded. This is particularly important as the demand for social housing is greater than the availability of homes.

The law, as it applies to local housing authorities, requires that reasonable preference for housing must be given to those in the categories set out in the Housing Act 1996 (as amended). Applicants with reasonable preference must be given a reasonable head-start in terms of accessing housing over those who do not have reasonable preference. Reasonable preference does not mean that applicants will have an absolute priority over all other applicants.

The statutory reasonable preference categories in section 166A(3) (a) to l of the Housing Act 1996 (as amended) are:

- a) People who are homeless (within the meaning of Part VII of the 1996 Act)
- b) People who are owed a duty by any housing authority under section 190(2), 193(2) or 195(2) of the 1996 Act (or under section 65(2) or 68(2) of the Housing Act 1985) or who are occupying accommodation secured by any housing authority under section 192(3)
- c) People occupying insanitary or overcrowded housing or otherwise living in unsatisfactory housing conditions
- d) People who need to move on medical or welfare grounds, including grounds relating to a disability
- e) People who need to move to a particular locality in the district of the housing authority, where failure to meet that need would cause hardship (to themselves or others).

6.2 Additional preference

The Council can grant 'additional preference' to applicants where the Council is satisfied that applicants who have been assessed as having a reasonable preference also have other exceptional or urgent housing needs.

There are special provisions for such additional preference in relation to armed forces personnel who have urgent housing needs (see section 6.4).

6.3 Other specified groups

The Council includes other local priorities alongside the statutory reasonable preference categories. Local priorities can be included providing:

- That they do not dominate the housing allocation scheme, and
- Overall, the scheme operates to give reasonable preference to those in the statutory reasonable preference categories over those who are not

THE PRIORITY BANDING SYSTEM

The Council awards each housing application a level of priority for housing using Priority Bands: A, B, C, D and E (No housing need exceptions). Applications in Band A have the highest of priority for rehousing.

6.4 Band A

The Council will place an application in this band if the applicant's circumstances fall into one or more of the following criteria:

Criteria and additional details
<p>S193(2) Main Homeless Duty</p> <p>The applicant is homeless and owed a S193(2) Main Homeless Duty because they are assessed as being in a priority need, unintentionally homeless and establish a local connection as outlined in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).</p>
<p>Hospital Discharge</p> <p>The applicant or a member of the household cannot be discharged from hospital or a rehabilitation centre because they have no accommodation, or their current accommodation has been deemed hazardous to their health and the situation cannot be rectified to enable them to continue to live there, and they are accepted by North Northamptonshire Council as being able to sustain their own independent accommodation (with or without tenancy support).</p>
<p>Severe Medical Need</p> <p>The applicant or a member of the household must have a permanent medical condition or disability AND remaining in the current property is a major and direct contributory factor to pose a severe and life-threatening risk to the member of the household. It will only apply where the current property cannot be made suitable or adapted within 3 months. It is expected that this criterion applies to those few exceptional cases only specifically where:</p> <ul style="list-style-type: none">• A household member is receiving palliative care• A household member is unable to escape their current property in an emergency due to being permanently housebound <p>Households will only be considered for properties which meet all their housing needs and improve their condition / quality of life. See section 5.5 for more details regarding medical needs.</p>
<p>Armed Forces</p> <p>The applicant or a member of the household has a reasonable preference as a member of the armed forces and an urgent housing need. The definition for armed forces is set out in section 4.4. The definition of an urgent housing need for the purpose of this criteria is:</p> <ul style="list-style-type: none">• Serving and Former members of the Regular Armed or Reserve Forces, who are suffering from a serious injury, illness or disability which is wholly or partly attributable to their service.

- Bereaved spouses or civil partners of those serving in the Regular Forces where (i) the bereaved spouse or civil partner has recently ceased, or will cease, to be entitled to reside in Ministry of Defence accommodation following the death of their Service spouse or civil partner, and (ii) the death was wholly or partly attributable to their service.

Risk of Harm

The applicant or a member of the household is at serious risk of harm (physical or emotional trauma) resulting from violence or threats of violence, or other abuse or serious trauma and needs to relocate to ensure their safety. This will be verified by the Police and/or other agencies as necessary. This may include a move to protect a witness of criminal acts under the National Witness Mobility Scheme. Any offer of accommodation from this criterion will have restrictions attached in terms of eligible areas to minimise any risk as far as is reasonably practical.

Category 1 Hazard

The applicant is a private sector, housing association tenant or owner occupier and North Northamptonshire Council has determined that their current accommodation poses a Category 1 Hazard (excluding overcrowding) under the Housing Health and Safety Rating Scheme, the problem cannot be rectified within a reasonable period of time i.e. six months and by continuing to live there poses a significant risk to health.

Demolition

The applicant needs to move because their home is about to be demolished or redeveloped. This only applies when the demolition or redevelopment is beyond the applicant's control.

Major Repairs

The applicant is a tenant of a social or affordable rented property living in North Northamptonshire who needs to move because their accommodation needs major renovation or extensive repairs. This does not include temporary decants.

Natural Disaster

The applicant's home is uninhabitable due to flood, fire or natural disaster through no fault of the applicant and there is no prospect of the problems being remedied within a reasonable period of time i.e. six months.

Under Occupying Tenants with Medical Need

The applicant is under occupying social or affordable rented accommodation in North Northamptonshire, but also has an urgent medical need as defined within Band B criteria. Households awarded this band will only be considered for properties that offer fewer bedrooms than their current accommodation.

Releasing Adapted Property

The applicant is occupying a social or affordable rented property in North Northamptonshire that is either fully wheelchair accessible or offers a level access shower/wet room and is willing to transfer to suitable non-adapted accommodation. This band will not apply where the adaptation does not offer a realistic solution to others i.e. a level access shower in a first floor flat.

Releasing Large Family Property

The applicant is a social or affordable rented tenant under occupying a property in North Northamptonshire that offers four or more bedrooms (including 3-bedroom parlour type houses) and is willing to transfer to suitable smaller accommodation. Households awarded this band will only be considered for properties that offer fewer bedrooms than their current accommodation.

Priority Sheltered Move

The applicant is a social rented tenant living in a sheltered, supported or assisted living scheme allocated through North Northamptonshire Keyways with an urgent medical need as defined within Band B criteria, and their needs would be resolved by moving within their current sheltered/supported scheme or a similar scheme nearby.

Supported Move On (with local authority nomination rights)

The applicant is ready to move on from an approved supported accommodation provider or care in North Northamptonshire, where there is a formal arrangement in place that enables North Northamptonshire Council nomination rights to vacancies. The applicant must have been accepted as ready for independent living by a relevant support provider. This band will not apply to those applicants who do not have sufficient awareness and/or mental capacity to be able to accept and manage a tenancy and live in a reasonably independent way.

Where the supported accommodation or care is out of North Northamptonshire, this band will not apply, unless the placement in that accommodation was due to it being the only suitable specialist placement (e.g. residential care or refuge) available to meet the needs of the applicant at the time, and the applicant has a local connection to the North Northamptonshire Keyways partnership area.

Band A priority is only awarded with the documented approval of a senior housing officer.

In addition to the Band A criteria above, the Council may also award Band A status to households in emergency circumstances not covered by the priority groups above. In such exceptional circumstances, the *Head of Service / relevant North Northants post to be confirmed* has discretion to determine whether an applicant has a need to move which is sufficient to warrant placing an application in Band A.

6.5 Band B

The Council will place an application in this band if the applicant's circumstances fall into one or more of the following criteria:

Criteria and additional detail

S195 Homeless Prevention Duty

The applicant is threatened with homelessness and owed a S195 Homeless Prevention Duty. The applicant is believed to be in a priority need, deemed not to have worsened their housing circumstances and establishes a local connection as outlined in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).

S189B Relief Duty

The applicant is homeless and owed a S189B Relief Duty. The applicant is believed to be in a priority need, deemed not to have worsened their housing circumstances and establishes a local connection as outlined in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).

Overcrowding

The applicant's household has been assessed as being overcrowded which is defined as requiring at least one additional bedroom based on the Council's minimum bedroom standard. The minimum bedroom standard (see section 7.2) states that a separate bedroom shall be required for the following persons:

- A single person (sole applicant)
- A married or co-habiting couple
- Two children both aged under 10 years regardless of gender
- Two children of the same gender regardless of age (unless there is a 10-year age gap AND one child is at least 16 years old)

Urgent Medical Need

The applicant or a member of the household has a permanent medical condition or disability which is seriously adversely affected by their current accommodation. This band will apply in the following circumstances for example:

- A household member requires ground floor accommodation (or a stairlift) AND requires alternative bathing facilities to that in their current accommodation
- A household member is a permanent wheelchair user and their current property is ground floor with suitable bathing facilities, however, it does not have suitable flow space, widened door frames or ramp access and the property cannot be made suitable or adapted
- A household member requires medical equipment supplied by a health authority/hospital and the current property/living conditions cannot be altered to make sufficient space (this does not include mobility scooter storage)

Households will only be considered for properties which meet all their housing needs and improve their conditions/quality of life. See section 5.5 for more details regarding medical needs.

Essential Care and Support

The applicant or a member of their household needs to give or receive essential care and support that is substantial and ongoing and that cannot be provided from or in their current accommodation. Applicants must either be in receipt of Carers Allowance or have a carer who is in receipt of Carers Allowance, or have had an assessment by social services or similar support agency, so it can be established that care and/or support is substantial / essential.

Supported Move On

The applicant is ready to move on from an approved supported accommodation provider or care in North Northamptonshire, but the local authority cannot make use of the supported accommodation that will result from the applicant moving on. The applicant must have been accepted as ready for independent living by a relevant support provider. This band will not apply to those applicants who do not have sufficient awareness and/or mental capacity to be able to accept and manage a tenancy and live in a reasonably independent way.

As well as applying to those in supported accommodation schemes and to young people leaving care who are in local authority accommodation, this band criteria also applies to vulnerable applicants who live in a supportive home environment which is not sustainable in the medium to long term, for example, a vulnerable applicant who lives with elderly parents who are their carer's.

Where the supported accommodation or care is outside North Northamptonshire, this band will not apply, unless the placement in that accommodation was due to it being the only suitable specialist placement (e.g. residential care or refuge) available to meet the needs of the applicant at the time, and the applicant has a local connection to North Northamptonshire.

Under Occupying

The applicant is under occupying a two or three bedroom social or affordable rented property in North Northamptonshire and is willing to transfer to suitable smaller accommodation. Households awarded this band will only be considered for properties that offer fewer bedrooms than their current accommodation.

Successor

The applicant is a successor or non-statutory successor of social rented accommodation, approved for an offer of alternative suitable accommodation. If after six months from the date of qualification as a successor, the applicant has not secured alternative accommodation, the Council reserves the right to bid on the applicant's behalf, or to make a direct offer, to ensure that the applicant receives one reasonable offer of accommodation within the twelve month statutory time limit.

Employment Hardship / Right to Move

The applicant or a member of the household needs to move in order to take up or continue permanent employment in North Northamptonshire for 16 hours a week or more, and to avoid hardship. Hardship as a result of employment includes commuting distance, the availability and affordability of transport and other factors such as medical conditions or childcare. A commute between home and work of 60 minutes each way is considered reasonable. The applicant's circumstances must be able to be improved to qualify under this criterion.

6.6 Band C

The Council will place an application in this band if the applicant's circumstances fall into one of the following criteria:

Criteria and additional details

S195 Homeless Prevention Duty

The applicant is threatened with homelessness and owed a S195 Homeless Prevention Duty. The applicant is believed to have no priority need, deemed not to have worsened their housing circumstances and establish a local connection as outlined in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).

S189B Relief Duty

The applicant is homeless and owed a S189B Relief Duty. The applicant is believed to have no priority need, deemed not to have worsened their housing circumstances establish a

local connection as outlined in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).

Non-Statutorily Homeless

The applicant has received a S184 decision finding them to be homeless but have no priority need as outlines in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).

Low Level Overcrowding

The applicant's household has been assessed as having a low level of overcrowding defined as:

- Requiring an additional bedspace within a bedroom
- Having two children of the same gender sharing a bedroom and
 - There is at least a 10 year age gap between the children; or
 - One child is at least 16 years old

For the purposes of assessing overcrowding, single parents are regarded as requiring 1 bedspace and can utilise a single bedroom.

Sharing with Others (with Dependents)

The applicant's household has at least one dependent child or a pregnant woman with a confirmed due date, sharing accommodation with their family or another household and is otherwise adequately housed.

Non-Urgent Medical Need

The applicant or a member of the household must have a permanent medical condition or disability which is adversely affected by their current accommodation. The band may apply in the following circumstances:

- A household member requires either ground floor accommodation (or a stairlift) OR requires alternative bathing facilities to that available in their current accommodation
- A household member is currently receiving ongoing treatment from primary and secondary mental health services for a diagnosed mental health condition which is made worse by their current accommodation, and would be resolved by moving to alternative accommodation

Households will only be considered for properties which meet all their housing needs and improve their conditions/quality of life. See section 5.5 for more details regarding medical needs.

Ongoing Care and Support

The applicant or a member of their household needs to give or receive care and support that is ongoing and that cannot be provided from or in their current accommodation. Ongoing care and/or support does not have to be substantial in that applicants may not be in receipt of qualifying care benefits or have social services involvement. It may include practical and/or emotional support that is essential to the physical or mental wellbeing of the person receiving the care/support.

6.7 Band D

The Council will place an application in band D if the applicant's circumstances fall into one of the following criteria:

Criteria and additional details
<p>S195 Homeless Prevention Duty</p> <p>The applicant is threatened with homelessness and owed a S195 Homeless Prevention Duty but deemed to have worsened their housing circumstances and/or do not establish a local connection to North Northamptonshire as outlined in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).</p>
<p>S189B Relief Duty</p> <p>The applicant is homeless and owed a S195 Homeless Relief Duty but deemed to have worsened their housing circumstances and/or do not establish a local connection to North Northamptonshire as outlined in Part VII of the Housing Act 1996. There are additional rules associated with this priority band (see section 8.2).</p>
<p>Sharing with Others (without Dependents)</p> <p>The applicant (or a couple) has no dependents and is sharing accommodation with their family or another household and is otherwise adequately housed. This will also apply when applicants have experienced a relationship breakdown where a move would prevent the homelessness of any dependent children.</p>
<p>Intentionally Homeless</p> <p>The applicant has received a S184 decision finding them to be homeless but intentionally so within the definition of the Housing Act 1996, Part 7 as amended 2002. There are additional rules associated with this priority band (see section 8.2).</p>

6.8 Band E

The Council will place an application in band E if the applicant's circumstances fall into one of the following criteria:

Criteria and additional details
<p>Seeking Sheltered</p> <p>The applicant and any other members of their household have no housing need but are eligible to be considered for, and are seeking, sheltered, supported or assisted living accommodation. The applicant's current housing tenure will determine which property type they are eligible for. Homeowners are exempt from bidding for sheltered bungalows and are eligible for properties in sheltered housing complexes only.</p>
<p>Local Connection to a S106/Village Exception Site</p> <p>The applicant has no housing need but establishes a local connection to a S106 or village exception site whether the connection is to the specific village where the development is located, or a surrounding co-terminus village. Local connection to such sites will be verified at the point of application and at the point of nomination.</p>

6.9 Demoting of priority band

Once we have assessed an applicant's priority for rehousing, the Council may reduce that priority if the applicant or a member of their household has done something that has deliberately made their housing circumstances worse.

The applicant's band may be reduced by one band if they have:

- Abandoned or terminated previous accommodation without securing suitable alternative accommodation first
- Sold a property or given notice on a tenancy without securing alternative accommodation first
- Accepted a property owned by a North Northamptonshire Keyways landlord which the applicant now claims is unsuitable despite there being no change to their circumstances
- Moved into accommodation which is unaffordable when being aware of the associated financial implications
- Previously had their application cancelled for failing to bid
- Been found to have deliberately disposed of assets or capital that would have enabled them to secure suitable accommodation
- Ending of any homeless duty due to a deliberate and unreasonable refusal to co-operate

There may be other circumstances where an applicant has moved to new accommodation that is 'worse' than their previous accommodation and where this appears to be without good reason. North Northamptonshire Council will consider the facts of such cases on an individual basis to determine whether an applicant's decision to move accommodation was made solely or largely in order to acquire a housing need for the purposes of securing accommodation via the housing allocation scheme. Decisions to move from suitable accommodation into accommodation that is overcrowded, insecure or lacks basic amenities for example, will be scrutinised.

When a decision is made to demote an application by one priority band, the Council will reduce the applicant's priority for a period of twelve months from the date of the decision. Applicants may ask for a review of this decision.

6.10 Effective date

The 'effective date' is used to prioritise between applicants within the same band. The 'effective date' of an application is normally the date that a complete application is accepted onto the North Northamptonshire Keyways register. If there is a change in circumstances after initial registration, then the application will be reassessed, and the applicant may:

Change in circumstances	Effective date
Gain greater priority and be placed in a higher priority band.	The date at which the higher band applies will be used
Be assessed as being in the same band.	The original effective date will be used

Lose priority due to their circumstances and be placed in a lower priority band	The original effective date will be used
Become ineligible or may no longer qualify for an allocation.	The application will be removed from the North Northamptonshire Keyways Housing Register. Applicants may reapply at a later date if circumstances change and a new effective date will then apply.

7 ALLOCATING PROPERTIES AND PROPERTY ELIGIBILITY

7.1 Statement of Choice

The Council operates a Choice Based Lettings system. To support choice, available social and affordable rented housing vacancies within the North Northamptonshire local authority area will be advertised on North Northamptonshire Keyways. Applicants are able to register a bid for properties that are deemed suitable for their needs. There are some circumstances in which this will not apply, and the Council will restrict access to bidding, make bids on behalf of an applicant, or make direct offers.

Keyways landlords are committed to offering the greatest choice possible in the allocation of social and affordable rented housing within North Northamptonshire. The amount of choice that the Council is able to offer is limited by the fact that the demand for social housing in North Northamptonshire, far outstrips supply, and the legal responsibilities owed to some groups of applicants in housing need.

The amount of choice available to applicants will also be affected by the priority given to applicants under the scheme, the type of property the applicant is eligible for, and the availability of suitable properties. The Council will offer assistance to applicants with identified support needs in using the Choice Based Lettings system.

Where an applicant is on multiple shortlists, the Council reserves the right to determine which property is offered to an applicant.

7.2 Household composition

The size and type of property for which applicants are eligible will depend on the individual household composition and needs.

If an applicant's household composition or circumstances fall outside the rules detailed in this section, a senior housing officer will determine what size and type of property the household is eligible for. Circumstances where this might apply include where there is an evidenced need for an additional bedroom on urgent medical grounds, to discharge homelessness duties and make best use of stock.

As a minimum, the applicant's household is entitled to one bedroom each for:

- A single person (sole applicant)
- A married or co-habiting couple
- Two children both aged under 10 years regardless of gender

- Two children of the same gender regardless of age (unless there is a 10-year age gap AND one child is at least 16 years old)

This is referred to as the Council’s minimum bedroom standard. Some applicants will also be eligible to bid for properties that offer an additional bedroom to the minimum entitlement detailed above, although they will receive a lower preference for this larger accommodation.

The table below explains what size properties applicants can bid for:

	Minimum bedroom entitlement	Maximum bedroom entitlement
Single person	0 (bedsit)	2
Couple	1	2
1 child	2	2
2 children	2 or 3*	3
3 children	3 or 4*	3 or 4*
4 children	3 or 4 or 5*	4 or 5*

**depending on the age and gender of the children – see rules above*

For the purposes of property eligibility, the term ‘children’ refers to both dependent and non-dependent children. Extended family members that are considered as members of the applicant household (e.g. stepsiblings, cousins) are expected to share bedrooms.

7.3 Pregnancy

Households assessed as having a housing need who are expecting their first child will only be considered for family accommodation once the pregnancy has reached its third trimester (27 weeks). Similarly, households assessed as having a housing need who are expecting a child will have their property eligibility reassessed once the pregnancy has reached its third trimester (27 weeks).

Households who are otherwise adequately housed will not incur a housing need as a result of pregnancy. An assessment of housing need will be carried out once the baby is born.

7.4 Family accommodation

Family accommodation is defined as a house, or a flat offering 2 or more bedrooms with its own garden.

Households only containing adult sons/daughters, and/or other non-dependents are not eligible to be considered for family accommodation except in exceptional circumstances, for example, they require disabled adapted accommodation and their need can only be met with an offer of adapted family accommodation, or where it is determined that the adult sons/daughters are not capable of living independently as a result of a severe learning disability and would benefit from a garden.

Where a three-bedroom property offers two reception rooms, this is referred to as a parlour-type property. Households with a minimum need for 3 or 4 bedrooms are eligible to bid for parlour-type properties. Households with a minimum 4-bedroom need can utilise the second reception room as a fourth bedroom.

Where applicants are occupying and wish to downsize from a property in high demand and/or short supply such as 3-bed parlour, 4 bed or 5 bed social / affordable rented property, they may be able to bid for properties larger than that defined in section 7.2. Such decisions will be made by a senior housing officer.

7.5 Adapted Properties

Properties advertised on North Northamptonshire Keyways may have the following adaptations:

	Full Mobility Adaptations
	Wetroom
	Level Access Shower
	Stairlift
	External Ramp
	Shower Over Bath
	Minor Adaptations
	Lift

Where a property has been adapted, the Council reserves the right to let the property directly rather than advertising on North Northamptonshire Keyways in the first instances. This is in order to make best use of specialist social housing stock.

Where an adapted property is advertised on North Northamptonshire Keyways, households with a need for all the adaptations and who will utilise all other property attributes will be identified via a filtering process first. If no household meets this criterion, the Council will filter the shortlist according to which household will make best use of the adaptations and/or other attributes (such as utilising all the bedrooms) taking into consideration band and effective date.

This may mean a household requiring a three bedroom family home is offered a three bedroom house with a wet room over a household requiring a two bedroom property with a wet room.

Properties situated on the ground floor with an adaptation will first and foremost be offered to households requiring ground floor accommodation due to a disability.

7.6 Bungalows

General need bungalows (not sheltered accommodation) offering no adaptations have a minimum age preference of 60 years of age applied in the first instance. Such properties will be allocated in the following order:

1. Households over 60 years of age with a ground floor need
2. Households of any age with a ground floor need
3. Households over 60 without a ground floor need

General need bungalows (not sheltered accommodation) **offering disabled adaptations** will be allocated in the following order:

1. Households of any age with a ground floor need requiring adaptations
2. Households over 60 years of age with a ground floor need
3. Households of any age with a ground floor need
4. Households over 60 without a ground floor need

Where there are joint applicants, the minimum age preference of 60 years referred to in this section need only apply to one applicant. For example, if an application is received from a couple with one individual aged under 60 years and one individual over 60 years, these joint applicants will be eligible to receive a preference for general need bungalows as described in this section.

7.7 Sheltered accommodation

Sheltered accommodation is usually only available to older people with a support need. Dependent on the sheltered scheme the advert may stipulate an age criterion. While sheltered housing provides some support, it is not suitable for people with high care and support needs. Sheltered housing is a form of independent living, so residents must be able to leave the building unaided in the event of an emergency.

Depending on an applicant's circumstances, some applicants such as homeowners and those with no housing need are restricted to bidding for properties in sheltered housing complexes only. See sections 4.3 and 6.8 for more information.

Applicants who bid for sheltered accommodation will be subject to further eligibility assessments conducted by the specific landlord / provider if they are nominated for sheltered accommodation. This is to check factors such as support needs, suitability and risk issues in line with the individual provider's policies. Landlords of sheltered accommodation reserve the right to refuse nominations if their criteria are not met – see section 8.3 for more information.

7.8 Not offering a tenancy to the highest bidder

The Council has discretion not to offer a tenancy to the highest bidder for advertised properties when taking all circumstances into account. This discretion may be exercised when the

Council decides that it would not be in the interest of the applicant, another party or the good management of the housing stock to do so. Examples where this may happen include:

- Where there is a history of domestic abuse and the property is deemed by the Council to be too close to the perpetrator so as not to resolve the applicant's housing need
- Where the Council deems there to be implications for community safety as defined in section 4.10
- Where the applicant cannot access or adequately use the property because of mobility problems, in particular where their health and safety would be endangered
- Where on completion of a financial assessment, the North Northamptonshire Keyways landlord and Council has determined that the property would be unaffordable to the applicant
- Where an offer of accommodation would be counter to an applicant's stated housing need. For example, where an applicant is awarded priority due to a need to move to a particular area to provide / receive care and support, they will not be considered for areas that do not resolve this housing need
- Where an applicant's individual support needs are such that they are likely to severely impact upon other residents in a housing scheme and affect a landlord's ability to manage the applicant's needs / risk within that scheme.

7.9 Direct offers

In some circumstances, the Council will not advertise available properties on North Northamptonshire Keyways. Instead, a direct offer of accommodation may be made to an applicant. Any direct offer will constitute a formal and suitable offer, and if refused will be subject to the same sanctions for refusal as set out in section 8.4.

Decisions regarding direct offers will be made by two senior housing officers. A senior housing officer is defined in the glossary.

The circumstances in which direct offers may be made include:

- Where the Council considers that it is inappropriate for the applicant to participate in choice-based lettings. For example, applicants who are placed in North Northamptonshire through the National Witness Mobility Scheme or are subject to Multi Agency Public Protection Arrangements (MAPPA). In these cases, applicants are considered on a case by case basis, and the full range of housing options will be considered;
- Where the Council makes a direct offer by way of discharging a housing duty. This may include but is not limited to statutory homeless households.
- Where it is necessary for the Council or a Keyways landlord to move (decant) one of its tenants on a permanent basis in order to carry out major modernisation or rehabilitation works to the property.
- Where it is necessary for the Council to provide an alternative property to a successor tenant within the 12-month statutory time limit.
- Where a joint social tenant has given notice to quit, and the property is suitable for the remaining tenant to continue to occupy and this allocation is supported by the landlord.
- Where the property offers a specialist housing solution and/or is in particularly short supply e.g. large properties / disabled adapted properties
- In cases where North Northamptonshire Council or a Keyways landlord requests an urgent move due to serious antisocial behaviour issues that cannot be resolved via any other housing management intervention

- Where the Council considers it necessary to suspend choice-based lettings for a period of time, for example due to a public health emergency or another similarly significant event. Such decisions will be taken by the *Head of Service / relevant North Northants post to be confirmed* or a position senior to that.
- Any other circumstance that enables the Council to make best use of housing stock and/or to respond to emerging local housing needs

7.10 Local Lettings Policies

North Northamptonshire Council may from time to time agree a local lettings policy for specific areas or developments to reflect local circumstances. Local lettings policies allow the Council to support particular communities to become or remain safe, cohesive communities where people want to live.

The Council may also use a local lettings policy to support people who contribute to their communities such as people in employment, to encourage working people to move to particular areas, or to encourage people who contribute to their local community through volunteering.

Some local lettings policies giving a preference to residents with a local connection to a specific town or village may also be applied. This is usually because there is a legal requirement to do so as a result of the original planning consent for the property. Advertisements for these properties will highlight that preference will be given to applicants who fulfil the criteria set out in the legal agreement.

For existing communities, any local lettings policy will be drawn up in consultation with existing tenants and residents, and will have regard to housing management considerations such as the social mix of tenants, density, age range, vulnerability of tenants, for example, because of insufficient facilities for vulnerable people, as well as community stability.

Once implemented, local lettings policies will remain in force for a fixed period specified within the policy. Upon expiry, the allocation of properties in the area will be made in accordance with the normal housing allocation scheme, unless there is an evidenced need for a further local lettings policy.

Any local lettings policies in place will be advertised in the property advert on North Northamptonshire Keyways. Please see the North Northamptonshire Keyways website [new scheme web address to be confirmed](#) for current local lettings policies applicable in North Northamptonshire.

Community Contribution

Some local lettings policies stipulate that a proportion of allocations must be made to applicants who satisfy the Council's community contribution criterion. This includes people who play a part in making their neighbourhood a good place to live, work and play. The Council believes such people should be allocated social housing so that they can continue contributing to their sustainment of their local communities. For the purpose of this section 'applicants' means the main and/or joint applicant on an application and not any other household member.

To qualify for the community contribution criterion, applicants must:

1) Have a current positive residence history

A positive residence history is defined as:

- No on-going culpable involvement in anti-social behaviour or criminal activities.
- No breaches of tenancy within the last three years
- No recoverable housing related debt
- Having no outstanding unspent convictions

AND

2) Contribute to the economic growth, or make another valuable contribution in their community

A contribution to economic growth / community includes although is not limited to:

- Working households
- Volunteers
- Applicants in training or education
- Ex-service personnel
- Registered foster carers
- People with disabilities and older residents

Additional information on each of the categories above and associated minimum requirements is available upon request.

7.11 Property advert details

To help applicants choose the properties that would best suit their needs, North Northamptonshire Council will advertise all properties with information on size, location and property features. The adverts will also include:

- At least one image of the front of the property
- Which North Northamptonshire Keyways landlord owns the property
- Weekly rent and any other applicable charges
- If known, an estimated date that the property will be available to move in to
- The closing date for applicants to express an interest
- Other available information such as the type of heating supply, adaptations, number of steps leading to the property, priority floor level and restrictions on pets
- Whether a local lettings policy is applicable

At times, similar properties may be grouped together and advertised with one property identification number. In these cases, applicants only have to express an interest once to cover all the properties grouped within the adverts. This may happen when advertising a new build development which includes a number of the same size and type of property.

8 MANAGEMENT OF SCHEME

8.1 Bidding and Autobidding

Most applicants on the Keyways housing register are entitled to select which properties they will bid for. However, applicants are expected to place bids regularly. If bids have not been placed within a six-month period and suitable properties have been advertised during this time, their housing application may be closed.

Band A applicants

Applicants awarded Band A priority will receive additional support to ensure a timely resolution of their emergency housing needs. All applications accepted as Band A have their choice removed and are placed onto Autobid (note additional duties owed to homeless households detailed in Section 8.2).

Autobid means that the North Northamptonshire Keyways system software will place bids on an applicant's behalf. The system places bids on suitable properties which provide the best possible chance of a nomination i.e. the best queue position as at the end of the bidding cycle. Autobids are placed at one-minute past midnight at the end of the bidding cycle once all other bids have been placed.

In order to inform the autobid process, Band A applicants may be required to provide additional evidence to ensure that the autobid functionality is able to provide a suitable accommodation offer in terms of property attributes and geographical area.

Any successful bid will be classed as a formal offer of accommodation and the refusal sanctions set out in section 8.4 will apply.

The table below summarises the bidding mechanism and number of bids that different categories of applicants are entitled to:

Band and criteria	Bidding mechanism	Number of bids per cycle
Band A, B, C and D where a Statutory homeless duty is owed (main duty, prevention and relief duties)	Autobid (no choice)	Up to 5
Band A where a statutory homeless duty is not owed	Autobid (no choice)	Up to 3
Bands B, C, D and E where no statutory homeless duty is owed	Manual bidding - Choice	Up to 3

8.2 Households owed a Homeless Duty

The Localism Act 2011 and Homelessness Reduction Act 2017 permit North Northamptonshire Council to end any homeless duty by providing one offer of suitable accommodation of any tenure to homeless households. This includes a Private Rented Sector offer which complies with the Suitability of Accommodation Order 2012 (S193(7F)) and a PRSO under Relief - s.193(7AA)(a).

All applications accepted as being owed a homeless duty have their choice removed and are placed onto 'autobid'. This is to ensure the Council prevents and relieves homelessness where possible at the earliest opportunity.

If an applicant believes any final offer to be unsuitable, they are entitled to ask for a review. The applicant may ask for a review whether or not they accept the final offer of accommodation, but the Council may require the household to vacate any temporary accommodation provided whilst the review is conducted. Any applicant considering refusing a final offer should first discuss this with a Housing Options Advisor.

When reviewing a final offer and before making a final decision, the Council will check that:

- The property is the right size and type for the applicant's household
- The property is safe for the applicant's household to live in
- The property is affordable for the applicant
- Consideration has been given to the location of the property
- Consideration has been given to any special needs the applicant and their household members may have
- Consideration is given to any other relevant circumstances that the applicant has told the Council about

A failure to engage in the nomination, viewing, or verification process which results in a property offer being withdrawn, will be regarded as an implied refusal of a final offer.

Applicants owed a statutory homeless duty (main duty, prevention duty or relief duty) will receive up to five autobids per cycle whilst all other households will receive three bids.

Where applicants may be successful on more than one property shortlist the Housing Options team will determine which property will constitute the applicant's final offer. This is likely to be based on the individual circumstances of the applicant, which property is ready to let soonest and/or a decision that allows the council to maximise the number of allocations to homeless households in that cycle

8.3 Offers

If applicants are successful with a bid they will be contacted by the North Northamptonshire Keyways team directly. If the Council is unable to contact an applicant within 24 hours they will no longer be considered for the property and will be bypassed on the shortlist.

If an applicant verbally accepts the offer, the North Northamptonshire Keyways landlord that owns the property will then contact the successful applicant with details of the potential offer. Each North Northamptonshire Keyways landlord may have a different process that they follow.

All North Northamptonshire Keyways landlords reserve the right to:

- Request suitable identification for all household members
- Carry out checks on the information the applicants have provided as part of the North Northamptonshire Keyways application. Usual checks include whether the applicants have rent arrears or criminal convictions. If the applicant's circumstances have changed and they did not inform the Council of the change(s), they may not receive an offer until the changes have been fully assessed
- Withdraw an offer if checks reveal issues that are not included in the North Northamptonshire Keyways application
- Withdraw an offer of sheltered accommodation if an applicant does not meet the landlord's own eligibility criteria
- Withdraw an offer if a notice to vacate a property is withdrawn or the property becomes unavailable for letting
- Withdraw an offer if verification checks confirm that the applicant(s) would be a non-qualifying person
- Carry out a financial assessment of the household to establish if the rental payments will be affordable
- Withdraw an offer if, following a financial assessment, it is established that the household cannot afford the required rental payments

- Carry out a property inspection of the household's current home
- Withdraw an offer if the applicant has failed a property inspection
- Withdraw a property from advertisement if advertised incorrectly
- Request up to 4 weeks rent in advance
- Request rent payments are paid by direct debit only
- Request the applicant(s) complete a tenancy workshop / pre-tenancy training or equivalent

Applicants must tell the North Northamptonshire Keyways landlords whether they wish to accept an offer of a tenancy. The time limit for responding to offers may differ between landlords. If the applicant does not contact the landlord or the Housing Options Team within the timescale given, the Council will assume that the applicant does not wish to accept the tenancy and the offer will be withdrawn.

8.4 Refusals

There are special suitability/refusal rules that apply to applicants where the Council has accepted a homeless duty (see Section 8.2).

All other applicants are entitled to:

- place up to three bids per bidding cycle
- refuse one suitable offer of accommodation without any sanctions

Applicants who refuse two offers of suitable accommodation within any 12-month period will fail to qualify for the North Northamptonshire Keyways register. For the purposes of this scheme, an offer of accommodation can include a formal written offer of accommodation from a North Northamptonshire Keyways landlord or a verbal offer of a nomination from the North Northamptonshire Keyways /Housing Options team. In the case of joint applications, the main or joint applicant can refuse the offer, and this will constitute as a refusal (i.e. agreement of both is not required).

A failure to engage in the nomination, viewing, or verification process which results in a property offer being withdrawn, will be regarded as a refusal for the purposes of this section, albeit an implied refusal.

All applicants that refuse their final offer of accommodation will not qualify for the North Northamptonshire Keyways register for a period of 12 months. The Council may consider a re-application within the 12 month non-qualifying period if there has been a significant change in their circumstances through no fault of their own which adversely affects the household or would otherwise result in the Keyways band increasing.

8.5 Landlord Rejection

In some circumstances Keyways landlords may refuse to offer a tenancy to a nominated applicant in accordance with their own policies. If a Keyways landlord rejects an applicant they will inform the applicant in writing how they have reached decision and if the applicant wishes this to be reviewed, the applicant or their representative must make a written request directly to the landlord concerned within 21 days of receipt of the decision. Contact details can be found in Appendix C.

9 THE APPLICANTS RIGHT TO A REVIEW

The Housing Act 1996, as amended by the Homelessness Act 2002, gives applicants the right to ask for a review if the Council decides not to allow the applicant to join the North Northamptonshire Keyways register or makes any decision that affects their housing application.

Any applicants who believe they meet an alternative band must initially submit a banding enquiry in writing explaining the reasons they believe they meet an alternative band. This will be initially reassessed by an officer senior to that of the original decision maker. If the applicant remains unsatisfied with the decision, they will have a right to a review.

9.1 To request a review of the outcome of a North Northamptonshire Keyways application

The applicant, or the applicant's representative, must make a request to *relevant North Northamptonshire post to be confirmed* at North Northamptonshire Council in writing within 21 days of receiving a written decision. The applicant, or the applicant's representative, may give the reasons for requesting a review in person, if it is difficult to tell the Council these reasons in writing.

9.2 The decision about a review

The *relevant North Northamptonshire post to be confirmed* will review the decision and consider the reasons for the review being requested. A decision on the review will be based on the known facts at the time of the review. In some cases, the *relevant North Northamptonshire post to be confirmed* may need to request more information from the applicant in order to make a decision.

The *relevant North Northamptonshire post to be confirmed* will provide the applicant with written confirmation of the outcome of the review and reasons for the decision within eight weeks of the request for the review. A longer period may be agreed with the applicant.

The Council's decision on review is final and can only be challenged by way of a judicial review.

9.3 To request a review of a North Northamptonshire Keyways landlord rejection of a nomination

In some circumstances, North Northamptonshire Keyways landlords may refuse applicants the offer of a tenancy. Reasons for this may include if an applicant fails the verification checks or it is demonstrated that the applicant cannot afford the rental payments following a financial assessment conducted by the landlord. If an applicant wishes for this decision to be reviewed, the applicant or the applicant's representative must make the request in writing direct to the given North Northamptonshire Keyways landlord within 21 days of receiving their written decision.

9.4 Compliments, Comments and Complaints

Applicants who wish to give a compliment, comment or complain about North Northamptonshire Council or the Keyways scheme can do this by contacting North Northamptonshire's Council's *Customer Services team / relevant North Northamptonshire team to be confirmed*. Applicants who wish to make a compliment, comment or complaint

about any partner North Northamptonshire Keyways landlord should contact them directly – contact details are provided in Appendix C.

Details of North Northamptonshire Internal Complaints Procedure to be inserted here.

Applicants who remain unhappy can make a complaint to the Local Government Ombudsman or the Independent Housing Ombudsman. They are independent services run by central government to make sure that local authorities and housing providers provide a certain standard of service to their customers (see below for contact details).

10 GENERAL PROVISIONS

10.1 Data Protection and Information Sharing

The General Data Protection Regulations 2018 (GDPR) and the Data Protection Act 2018 (known as information legislation) provide a statutory framework which sets out the responsibilities of the Council as a data controller when it is collecting and processing applicants' personal data. It also defines applicants' rights in relation to their data and provides them with control over how their information is used in various circumstances.

North Northamptonshire Council will, through appropriate management, ensure compliance with information legislation, the Housing Act (1996), and the Council's Privacy and Data Protection Policies. The Council will process applicants' data within the confines of the law and will only share applicants' data where there is a lawful basis to do so.

Below are the seven key data protection principles that will be followed when processing personal data. Applicants' personal information will be:

1. Processed lawfully, fairly and in a transparent manner
2. Collected for a specified, explicit and legitimate purpose and not further processed in a manner that is incompatible with that purpose
3. Adequate, relevant and limited to what is necessary

4. Accurate and kept up to date
5. Not kept for longer than is necessary
6. Processed securely, using technical and organisation measures
7. The Council will demonstrate accountability with principle 1

The information that the Council collects from applicant's, together with information that is gathered from third parties during an application will be used to assess and administer a request for housing. Applicants' information may also be used for other purposes where the law permits such as those relating to child protection, public protection, and preventing and/or detecting fraud or other criminal activities.

Applicants have the right to access their personal data processed by the Council including electronic and hard copy files. Applicant's personal data is information that relates to an applicant as an identifiable individual. Personal data can be accessed by contacting the Council's *Information Governance Team / relevant North Northamptonshire team to be confirmed on contact details to be confirmed.*

10.2 Fraudulent Activity and withholding Information

Applicants must supply full information about their circumstances and must provide supporting evidence where required to do so. It is a criminal offence for applicants and/or anyone providing information in relation to this scheme to knowingly or recklessly make false statements or knowingly withhold reasonably requested information relevant to their application (section 171, Housing Act 1996). An offence is also committed if a third party provides false information whether or not on the instigation of the applicant. This would apply at any stage of the application process.

Where there is suspicion or an allegation that a person has either provided false information or has withheld information, the application will be excluded from being considered for offers during the investigation and until an outcome is reached.

In addition, the Council reserves the right to take legal action including prosecution under any relevant legislation including fraud where it possesses the evidence. If the outcome of any investigation is that an applicant did not provide false information or did not withhold information or was not found to be withheld knowingly, then the application will be reinstated from the date of registration, meaning the relevant applicant should not suffer prejudice.

If the Council determines that an applicant directly, or through a person acting on his or her behalf, has given false information or withheld required information it may result in an applicant being disqualified from an allocation.

Ground 5 in Schedule 2 of the Housing Act 1985 (as amended by the 1996 Act, S146) enables the landlord to seek possession of a property where it has been granted as a result of a false statement by either the tenant or a person acting at the tenant's instigation. Where this is the case the Council will actively pursue recovery of possession.

10.3 Councillors, board members, employees and their close relatives

Councillors, board members and employees of North Northamptonshire Council, partner North Northamptonshire Keyways landlords and their close relatives, can apply to the North Northamptonshire Keyways Housing Register. However, applicants must make their position or relationship with the Council or with the North Northamptonshire Keyways landlord known at the point of application. If the applicant does not do this and it is discovered later that such a relationship exists, the application/tenancy may be adversely affected. Applicants who declare an interest will neither be advantaged nor disadvantaged.

10.4 Equality and Diversity

North Northamptonshire Council and partner landlords are committed to promoting equality of opportunity in housing services. We aim to implement, maintain and deliver quality services which ensure that no potential or current applicant is treated less favourably on the grounds of gender, marital status, race, nationality, ethnic or national origin, disability, age or sexual orientation, nor is disadvantaged by the application of a rule, condition, or requirement, which has a discriminatory effect which cannot be justified by law. Allocations will only be made to those persons who are eligible. The policy will fully comply with the Equality Act 2010.

10.5 Monitoring of the scheme

The Council recognises that it is important for applicants for housing and the wider community to understand how social housing is allocated and who is getting social housing. Therefore, information on the Housing Register and lettings outcomes will be published and made available on the North Northamptonshire Keyways website.

The Council will also regularly monitor to ensure that the scheme remains relevant and continues to prioritise the allocation of affordable rented housing to those people in the most need. Reviews of this policy will be undertaken by the Council annually in response to any policy issues identified and/or changes in legislation / national guidance.
