Access

The main scheme entrance is level with automatic doors and a catch for people on mobility aids and wheelchairs to lock it open if they are on their own. There are some dropped kerbs for wheelchair and scooter access around the scheme. Entrance to each block is by key fob and these entrances are well lit. The first floor flats are accessed by stairs although some tenants have had stair lifts fitted.

Accommodation

The accommodation consists of seventy one properties. There are five one bedroom bungalows, two two bedroom flats and sixty-four one bedroom flats. These are a mixture of single and double flats. The bathrooms are a mixture of wet rooms and baths with showers.

The flats surround beautiful landscaped garden areas with plenty of seating available.

Local Amenities

There are 2 major supermarkets close by as well as a pharmacy, opticians, dentist and GP. The pharmacy does have a collection and delivery service for prescriptions and a chiropodist/podiatrist visits the scheme weekly. The town centre shops are just a short walk away. A mobile library visits the scheme every three weeks.

Places of Worship

Due to the proximity of the town centre most denominational churches are available. The nearest are St Andrews Church of Scotland and the Quaker church.

Scheme Activities

Activities in the communal lounge include a fish and chip supper once a month, a weekly coffee morning and weekly bingo afternoon. Other social activities are organised on a regular basis by the tenants working party and advertised on the notice board in the main entrance hall.
