

GENERAL INFORMATION ON INDEPENDENT LIVING IN WELLINGBOROUGH

What is Independent Living?

Independent Living is for retired people or younger adults who have been identified as having a support need to help live independently in their own home.

Independent properties are flats or bungalows linked to a control centre with help available in an emergency. Support staff also visit residents to check on their wellbeing, help them maintain their independence, signpost them to other agencies and provide information and advice.

Some residents require a lot of support and may also have care provided through Social Services, voluntary agencies, family and friends. Other residents may only need help occasionally.

Extra Care Sheltered Housing is available for people who require more support and are more dependent on external support agencies.

Wishing to apply for Independent accommodation?

If you wish to apply for independent accommodation you will need to fill in a Housing Application form that can be obtained by contacting Wellingborough Council or going on www.keyways.org.uk. You will need to complete the application form, making sure you indicate that are interested in applying for specific sheltered accommodation.
